United Way of Portage County is working to advance the common good by focusing on education, income, and health. Through our partner programs, United Way of Portage County focuses on the following community priorities:

- ▲ Education and Strong Families
- ▲ Income and Self-Sufficiency
- ▲ Health and Basic Needs

For a complete list of partner programs, visit our website.

GIVE. ADVOCATE. VOLUNTEER. LIVE UNITED

We would like to thank all contributors to the 2010 United Way campaign. We wouldn't have been able to reach our goal without each of you. We'd especially like to recognize those who have taken their commitment a step further by giving at a leadership level. Donors who contribute a combined gift of \$500 or more become members of **United Way's Stevens Society**. In 2010, these donations made up 34% of the overall campaign. This generosity ensures that United Way has a deep and lasting impact on citizens throughout Portage County.

We are honored to be part of such an amazing community filled with people who do extraordinary things. United Way of Portage County is working with partners to not only provide short term, immediate help to those in need, but also to achieve lasting changes that will ensure better income stability, healthier lifestyles and academic progress for children and youth. Once the root cause to a problem is tackled, it is much more likely to ensure long-term change and to make a lasting impact.

We invite you to join us in giving at the Stevens Society level. Such giving is essential, especially in 2011 in order to meet the needs of our friends, neighbors and co-workers. By working together we can create a lasting impact right here in Portage County.

Thank you,

Tina Peters and Marg Coker-Nelson
 2011 Stevens Society Co-Chairs
