THE UNITED WAY

2020

GIVING BACK

75 years ago, Ed Wotruba, then President of Weber Lifelike Fly & Tackle in Stevens Point; Rollin Mabie, a CPA in Stevens Point; along with other local leaders, created what we know today as United Way of Portage County. Known as the Stevens Point War Chest in 1945, this group brought together many different agencies that were doing similar work to share in one large appeal to help people in need. While our role in the community has changed through the years, the legacy continues on: United Way brings together the resources of thousands of individuals and organizations to make a difference for those in need of assistance.

LOOKING FORWARD

United Way's vision is to unite a community where diverse organizations and individuals share their strengths to drive sustainable change and advance the common good. We continue to build on our foundation of community generosity coupled with proven partnerships and program investments that improve lives in every municipality - city, village and town - in the county.

For decades, United Way has rallied as a community convener as Portage County continues to evolve and reinvent itself. United Way sits at the center of the private, public, philanthropic and not-for-profit sectors. It is uniquely positioned to bring people and organizations together to build true community impact solutions that address our community's most devastating challenges like poverty, abuse, neglect, education proficiency gaps, mental health issues, struggling elders, hunger and more.

UF, PREDECESSORS 26 YEARS OLD

Twenty-six years ago, the Stevens Point War Chest was founded to raise funds for charitable organizations. The name was changed to Community Chest Council in 1945 and to United Fund of Portage County, its present name, in 1959. Holding a United Fund flag here are Edward C. Watzka Sr. (left), who headed the first Stevens Point War Chest campaign in 1945, and Harold Mohr of Almond, chairman of the Portage County Board. The flag will be flying soon to alert the more than 47,000 county residents that the UF campaign is underway, with a goal of \$1,122,500. (Staff Photo)

1945-2020

October 11, 1945
This is part of a full-page ad pulled from the Stevens Point Daily Journal sponsored by Hardware Mutual's, now Sentry Insurance. The war had ended and providing assistance to so many impacted by World War II had just begun.

Today, 75 years later, our community continues a long and storied history of helping our neighbors. It is in times like this that every contribution, regardless of the amount, makes all the difference. While our name has changed over the years, a focus on the current, critical needs here in Portage County is constant. Thank you for LIVING UNITED - and GIVING UNITED!

Combined Legacy Gifts*

*Legacy gifts that do not meet Stevens Society levels are combined and reported in the corresponding Stevens Society level as "Combined Legacy Gifts."

Stevens Society Legacy Gifts are individual gifts to the United Way Endowment. These gifts remain relevant as needs in the community continue to change and evolve. Gifts are invested and a percentage of earnings from these investments go to the most critical needs as determined by the United Way Board of Directors each year in perpetuity. Individual gifts with annual earnings of \$500 or more are then highlighted in this Stevens Society Giving Roster.

Participation in the Endowment will enable donors to continue their tradition of caring and prepares United Way to address the pressing issues yet to come.

To learn more about the United Way Endowment or to make a contribution, contact United Way of Portage County at 715-341-6740 or uway@unitedwaypoco.org, or visit www.unitedwaypoco.org/endowment.

BE A COMMUNITY LEADER

Each of us, as individuals and united together, play a role in improving the lives of residents here in Portage County. Our role extends to those with physical and mental disabilities, assisting the homeless, caring for the elderly, preparing children for the future, and building a stronger, more caring community for everyone. You do this through volunteering, through working with one another to solve problems that are bigger than any of us can solve on our own, and through your philanthropy.

In 2019, nearly 7,000 individuals provided a gift to United Way of Portage County. You rallied to raise over \$3 million for the community through United Way. More than 2,000 of you also donated your time and talents through the United Way Volunteer Center, helping our most vulnerable populations when they needed it most. Thank you for your consideration of a leadership level - Stevens Society gift of \$500 or more.

**LEADERSHIP GIVING
STEP-UP CHALLENGE**

Delta Dental of Wisconsin has again generously committed \$25,000 to encourage increased leadership level giving from individuals in our community by matching any Leadership Gift Increase of EXISTING OR NEW Leadership Level Donors.

With your NEW OR INCREASED Leadership Gift (individual or combined of \$500 or more in 2020) Delta Dental will give United Way a matching gift equal to the amount of the increase up to \$100. The Step-Up Challenge will help raise more money for our entire community. We hope that you take advantage of this challenge in support of our community as we rally together to meet this year's campaign goal.

These Corporate Cornerstone Partners provided monetary and in-kind support to United Way of Portage County in 2019. Their corporate support is critical in helping our community's most vulnerable populations and in building a stronger community.
