11. ENTRY INTEGRITY: Those individuals who qualify for prizes are automatically and systematically (not manually) entered into the drawing as their pledges are processed. Participating public sector campaigns do provide individual donor information, which is audited, so public sector qualifiers can be assured they will be included and there is little room for human error. Companies that do not typically provide individual pledge information may submit a list of those employees who have qualified with individual donation amounts. Those names are added to the database of automatic qualifiers. Additionally, those people who submitted an entry outside of the automatic qualification process are also entered into the database. Although we cannot publish the list of all those who qualify, if a workplace campaign requests a list of qualifiers from their own company, UWPC can provide it prior to the drawing, but after all pledges received by November 20, 2025, have been posted. Please call 715-341-6740 for more information.

NO DONATION NECESSARY. VOID WHERE PROHIBITED. DONATION WILL NOT IMPROVE CHANCES OF WINNING.
