UNITED WAY OF PORTAGE COUNTY
COMMUNITY RESILIENCY IMPACT AREA

Vision: A Community that connects people and resources to enhance the ability to withstand, adapt, and recover from challenges, disasters and public health emergencies.

Goal: United Way will lead and/or partner with programs that address short-term needs, strengthen local systems, and build a culture of preparedness.

Priority #1: Facilitate the allocation of funds to meet emergency needs.

Priority #2: Serve as a unifying force that convenes the community to mobilize resources to rebuild.

Priority #3: Recruit and train volunteers to respond to challenges, disasters, and public health emergencies.

United Way of Portage County reserves the right to revise its priority investment areas and associated requirements as deemed necessary.
